HOST-YOUR-OWN

Sleep Out Event

7TH DECEMBER
Thank you for taking the time to read this.

I would love to invite you to host your own event in our one-off global campaign – The World’s Big Sleep Out.

Please host your own sleep out for friends, family or colleagues and join an expected 50,000 other people throughout the world sleeping out on Saturday 7th December 2019. By organising your own event, you can help raise enough funds to help a target of 1,000,000 homeless and displaced people in your area and throughout the world. By hosting your own event you can also benefit a charity working on homeless or refugee issues of YOUR choice.

As well as raising money and investing in charities that make a difference, we want to send a message to the world’s political leaders to enact compassionate policy and find solutions for homelessness locally and the global refugee crisis that affects us all. We are a small, interconnected world. By collectively sacrificing our beds for one cold night we can reach out a hand of compassion and solidarity with those who need it most – homeless people on our doorsteps and refugees internationally. Over 50,000 people sleeping out on a December night is a mandate for action. Please join the movement by hosting your own event on 7th December.

I look forward to joining with you all on this campaign.

Sincerely,

Dr Josh Littlejohn MBE
Host-Your-Own Event

For one night, let’s come together in locations across the globe to show our determination to build a world where no one is ever left without a home.

Alongside local charities and political bodies, we are calling on individuals, community groups and businesses to show their solidarity by hosting an event of their own.

Hosting a sleep out can make a major difference to organisations fighting local homelessness in your town or city as well as allowing you and your community to join a global movement to tackle homelessness throughout the world.

Who?

Host-Your-Own Sleep Outs are private events run by you for your friends, family, colleagues, or another small to medium network of individuals.

Where?

Host-Your-Own Sleep Outs can be held in your backyard, porch, private company grounds (with permission), or any other place that is safe and legal.

When?

You should aim to host your event on this same date in order to join this global movement as fully as possible!

All of our official events will take place across the world on the same night:

Saturday 7th December 2019
Make it Your Own

We’re hoping to have over 1,000 Host-Your-Own events happening globally. That leaves a lot of room for creativity! Our team is available to offer general advice and answers to your questions but ultimately, it will be up to you to plan and deliver your event.

All sleep outs will be given a VT package from the incredible people supporting our campaign, including a video message from A-list actors Will Smith and Dame Helen Mirren, telling a bedtime story to your participants.

There is no registration fee and no minimum fundraising target to register your event.

We’ll be sending you a resource kit once you have registered, complete with: a handy event guide, an A-Z of fundraising, and links to our downloadable fundraising materials!

Why a Global Sleep Out?

Homelessness and displacement are global issues and together they form one of the greatest and most visible social ills of our time. Yet, there has been no coordinated, global response to tackle it on the scale that is so desperately needed.

The United Nations Human Settlements Programme estimates that 1.1 billion people live in inadequate housing, and the best data available suggests that more than 100 million people have no housing at all.

In 2016, the world made a promise not to let this stand. As part of the Global Goals set out by the UN, all member states signed a commitment to ensure access to safe and affordable housing for all by 2030.

Delivering on this promise is a global responsibility with local challenges. Regardless of where we live or where we come from, our individual participation and collective solidarity do make a difference.
100% of what you raise will go to the cause, with:

50% Going to charities helping rough sleepers and people suffering from homelessness in YOUR town or city

50% Going to charities helping some of the 68.5 million people displaced globally - who have lost their homes through war, natural disasters, or extreme poverty

And you will be joining a global campaign to call for an end to global homelessness.

You have the option of choosing a homeless or refugee charity to benefit from this half of the funds that your event raises.
Who is behind The World’s Big Sleep Out?

The World’s Big Sleep Out campaign is founded by Josh Littlejohn MBE, the co-founder of Scottish based charity, Social Bite. The campaign has been born out of Social Bite’s Sleep in the Park: the world’s largest sleep out event that took place in Scotland in 2017 and 2018.

Social Bite started as a small sandwich shop in Edinburgh that began offering employment and free food to those affected by homelessness.

They have grown to become a major charity on a mission to end homelessness in Scotland. Social Bite has previously hosted visits from A-List actors George Clooney and Leonardo Di Caprio. Social Bite has also hosted a visit from Prince Harry and Meghan Markle just prior to their wedding.

They have also previously organised the world’s largest ever Sleep Out in Edinburgh – Sleep in the Park. This event campaign has raised over $10,000,000 in two years to tackle homelessness in Scotland.

Key charities that you will be supporting

50% of the funds you raise will go towards a local homelessness charity in your area. If you would like to - you can pick a local charity of YOUR choice. The other 50% raised through your event will be invested to tackle global homelessness and the refugee crisis. Our key partners in this area are:

- **The Institute of Global Homelessness (IGH)** supports an emerging global movement to end street homelessness. As a first step toward achieving this goal, we are working with key global strategic partners to eradicate street homelessness in 150 cities around the world by 2030. Our vision is that within a generation, we will live in a world where everyone has a place to call home – a home that offers security, safety, autonomy, and opportunity.

- **UNICEF** works to keep children safe to protect their rights, no matter where they are. That work is more essential now than ever: today’s child refugee crisis is the worst since World War II. Whether they’re called migrants, refugees, or internally displaced, millions of children have been driven from their homes by conflict, poverty, or disaster. Far too many encounter danger, detention, deprivation and discrimination on their journeys. UNICEF USA are our primary partner for all funds raised in the USA.

- **Malala Fund** is an international, non-profit organization that fights for girls’ education. It was founded by Malala Yousafzai, the Pakistani activist for female education and the youngest Nobel Prize laureate. The organization aims to ensure 12 years of free, safe and quality education for every girl.
